Federal Aviation Office
Stefan Rigauer

**Notice of the Federal Ministry of Transport and Digital
Infrastructure on the special authorisation to enter handwritten endorsements into
licences for aviation personnel, issued by the
Federal Aviation Office or a German federal state aviation authority
in accordance with ARA.FCL.200 c) and d) of Regulation (EU)
No 1178/2011**

CONTENT

1. **Licence endorsements by examiners**
2. **Licence endorsements by instructors**
3. **Licence endorsements of licences by language examiners**
4. **Enclosure "Report of the instructor"**

1. Licence endorsements by examiners

Holders of an examiner certificate in accordance with FCL. 1000 are authorised in accordance with ARA.FCL.200 (c), to enter the following handwritten endorsements after proficiency checks or assessments of competence:

- a. Endorsements for the revalidation of class, type and instrument ratings in accordance with FCL.1030 (b) (2),
- b. Endorsements for crediting the instrument flight time in accordance with Appendix 8 to Part FCL (cross-crediting of the instrument flight time of a proficiency check for the class or type ratings),
- c. Endorsements for the revalidation of instructor certificates in accordance with FCL.1030 (b) (2),

into licences issued by the Federal Aviation Office or any aviation authority of a German federal state.

The first sentence shall apply accordingly to the holders of examiner certificates issued in Germany in accordance with Section 128 of the Regulations on Personnel Licensing-LuftPersV (as applicable until 23 December 2014) in conjunction with JAR-FCL German 1.030/2.030.

The report of the examiner as well as the copy of the licence of the applicant (front and back with the handwritten endorsement) have to be immediately transmitted by the examiner to the competent licencing authority in written form (paper format or fax).

2. Licence endorsements by instructors

Holders of an instructor certificate in accordance with FCL.905.FI b) or FCL.905.CRI a) (1) are authorized in accordance with ARA.FCL.200 (d) in conjunction with FCL.945, after finishing the refresher training (formerly designated as training flight) to revalidate, by a handwritten endorsement, a (still valid) SEP or TMG class rating issued by the Federal Aviation Office or any aviation authority of a German federal state in accordance with FCL.740.A (b) (1). The first sentence shall apply accordingly to the holders of an instructor certificate issued in accordance with JAR-FCL German.

The prerequisite here is the compliance with all other criteria for a revalidation in accordance with FCL.740.A (b) (1) (ii).

The refresher training has to be documented in accordance with the enclosure "Report of the instructor FI/CRI".

The report of the instructor (see enclosure) as well as the copy of the licence of the instructor and of the applicant (front and back with the handwritten endorsement) have to be immediately transmitted by the instructor to the competent licencing authority in written form (paper format or fax).

3. Licence endorsements by language examiners

(Section 125 (2) (4) LuftPersV)

- a. Language examiners may enter handwritten endorsements into licences concerning the revalidation of already registered language examinations of the same level. This will only be possible, if the evidence of language skills is still valid.
- b. The report of the examiner as well as the copy of the licence of the applicant (front and back with the handwritten endorsement) have to be immediately transmitted by the examiner to the competent licencing authority in written form (paper format or fax).

The recipient of this communication must be the aviation authority which is responsible for the licencing of the applicant!

Federal Aviation Office or aviation authority of a federal state

Email (voluntarily)

Report of the instructor FI/CRI on the revalidation of a class rating (aeroplane) in accordance with FCL.740.A b) (1) ii) Reg.(EU) No 1178/2011

Pre-flight examination by a FI/CRI:

- Class rating(s) were examined for their validity.
- The medical certificate was examined for its validity.

The holder of the licence has (within the last **12 months before** the expiry of the validity of the rating(s)) **complied with the prerequisites for the revalidation in accordance with FCL.740.A b)(1)ii) Regulation (EU) 1178/2011.**

(12 hours of flight time with a single-engine piston aircraft (SEP) or a touring motor glider (TMG), 6 hours thereof as pilot in command and 12 take-offs and 12 landings as well as a refresher training of at least one hour of total flight time with the signatory FI/CRI)

from: _____ to _____ hours of flight time:

For SEP (sea) the possible combination in accordance with FCL740 A b) (4) has to be observed. (at the time of the endorsement the above-mentioned conditions must be complied with)

After assessing the existence of the prerequisites for revalidation in accordance with FCL.740.A Regulation (EU) No 1178/2011 the following class rating was revalidated (*please mark the appropriate*):

- Single-engine piston aeroplanes land (SEP land) Revalidated until:
- Touring motor gliders (TMG) Revalidated until:
- Single-engine piston seaplanes (SEP sea) Revalidated until:

Name, first name of the instructor (FI/CRI)		No. of the licence
Phone / Email (voluntarily)		Rating FI/CRI valid until:
Aircraft type and class/ model	Aircraft Registration	Aerodrome of departure/time
Number of approaches	Number of landings	Aerodrome of landing/time
Aerodrome(s)	Aerodrome(s)	Flight time

The following flying exercises were selected in consultation with the holder of the licence:

Place, date

Signature of the instructor

Enclosures: Copy (front and back) of the updated licence of the applicant
Copy of the licence of the instructor
